

St Louise's Comprehensive College

A Specialist College

5 February 2019

Dear Parents/Guardians

ST LOUISE'S DEVELOPMENT PROPOSAL

Since the approval of the Development Proposal for St Louise's to become co-educational in July 2017, we have been in negotiations to ensure that the implementation plan would be in the best interests of all our students, both present and future.

Last week we agreed a way forward that we believe will allow St Louise's to continue to be a Centre of Excellence into the future.

The Development Proposal for St Louise's to become co-educational from Year 8 will be implemented in September 2019.

The Board of Governors submitted Admissions Criteria to the Education Authority for publication on Monday 4 February 2019 that invites applications for entry for P7 girls and boys to Year 8 only in September 2019.

Thank you for your ongoing support and commitment to St Louise's.

Yours sincerely

Miss M McHenry
Principal
