

**Year 10 Careers Week
11th–15th February 2019**

Dear Parents,

As you are aware Year 10 is an extremely important year for daughter and will have serious implications on your daughter's future career. Our Head of Careers Mrs Lismore, in partnership with the Year 10 Team have organised a programme of events to help support your daughter in making informed choices about her future career pathway and subject choices.

Monday 11th February	'Think Big—Future Aspirations' Amazing Brains Workshops
Tuesday 12th February	Welcome to the World of Work Careers Convention
Wednesday 13th February	New Subjects Workshops
Thursday 14th February	Careers Officers Presentation with Form Class
Friday 15th February	Form Tutor Review

The culmination of the programme of events will be our Year 10 **Parent Teacher Meeting on Monday 25th February 9.30 am—11.30am**, where you will meet with your daughter's form tutor and subject teachers to review her progress to date. This is also an opportunity for you to discuss your daughter's subject choices for next year with our Heads of Department and Careers Advisors. This is a very important meeting in our school calendar so we ask you to join us as we work in partnership to support your daughter.

✂ _____
Student Name: _____ Class _____

I/We will be able to attend on Monday 25th Feb at 9.30 am Yes / No

Please return this reply slip to your daughter's Form Tutor by Friday 8th February 2019

Thank you for your ongoing support

Year 10 Team
