

Animator/Designer

Sorcha explains that three key skills/qualities needed for her job are Empathy, Passion and Communication.

Research the following terms and define them below:

Empathy

Passion

Communication

Empathy

List some careers that you think require someone with **strong empathy**

Passion

What subjects in school do you feel most passionate about and why?

Animator/Designer

Communication

List some careers that you think require **effective communication** with others

Sorcha explains that qualifications are not necessary for her job, but that **training in a college or university is essential**. How come?

The School of Art at Ulster University offer a wide range of degrees such as Architecture, Animation, Textile Art and Fashion, Product Design, Photography, Interaction Design, Graphic Design and Game Design. Their prospectus can be found online:

https://www.ulster.ac.uk/_data/assets/pdf_file/0005/530771/UG-Prospectus-21-22_WEB.pdf

Choose **any two** of the degrees offered by the School of Art. Briefly outline what is involved and what the entry requirements for study are.

School of Art Degree	What it involves	A-Level/GCSE grades needed

Animator/Designer

Can you think of any questions that you would like to ask Sorcha?
