

May's Punctuation Power:

Brackets

- 💡 This month you will focus on understanding how to use brackets correctly.
- 💡 You can access the activities on your year group's English Google Classroom. Miss McCartan will post the information on the first Thursday of every month.
- 💡 You should read the 'All about brackets' sheet first and then watch the YouTube video.
- 💡 Once you have studied the video and notes, you should take the brackets quiz.
- 💡 Your score will be revealed immediately and will be sent to your teacher.

Good luck!
