

Dear parents

We wish to congratulate our students on their successful transition back to school. We were delighted to see our students return and were so proud of how they have coped with our new school routine. We would like to reinforce a few key messages for the week ahead:

- ✓ If someone you live with has symptoms or a positive test please keep your child at home for 14 days from the day the first person in your home started having symptoms. Please phone the school and inform your child's Head of Year.
- ✓ School will open daily at 8.30am.
- ✓ Students are requested to wear masks in all communal areas, including corridors.
- ✓ Students are not permitted to phone parents and ask them to collect them. If your child feels unwell, they must inform their teacher or member of their year team, who will act appropriately. Parents will be contacted by a member of staff.
- ✓ Please ensure your child is following the rules in relation to standards of personal presentation including those relating to jewellery and nail polish.

THANK YOU
