

## Understanding Apprenticeships – Virtual Event

Join Your Child, Their Future Virtual Event on 3<sup>rd</sup> February 2021.

Hosted by Sarah Travers, the free online event will feature three field experts, who are parents themselves, to platform a diverse range of opinions:

- Richard Kirk from Workplus
- Maria Curran from Mid Ulster Mega
- Eamonn Brankin from Belfast Met

Rather than a lecture or recruitment fair, it will foster a positive and constructive conversation between parents and those working hard on the apprenticeship agenda about its merits in launching a fruitful career.

“Allstate NI, EY and Herbert Smith Freehills have put their brightest heads together to continue the ‘Your Child, Their Future’ series with an event centred on exactly what our workforce needs: talented young people who can shape our organisations for the future.”  
Richard Kirk, CEO & Founder of Workplus.
