## A Specialist College

2 April 2021

Dear Parents and Guardian

It is with great relief that we received confirmation from the Minister of Education that all students will return to face to face teaching on Monday 12<sup>th</sup> April. We look forward to welcoming back all our students and wish them a happy, safe and successful term 3.

### Qualification Procedure Days Friday 16<sup>th</sup> April and Tuesday 27<sup>th</sup> April

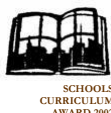

As you are aware the Year 12 and Post 16 students will receive Centre Determined Grades this year. In light of the Minister's announcement two Qualification Procedure Days have been scheduled in order to support this process. On Friday 16<sup>th</sup> April and Tuesday 27<sup>th</sup> April Years 8 -11 are not required in school, they will work remotely, however Years 12 – 14 must attend school for face to face learning.

### St. Louise's Lenten Campaign

On the 2<sup>nd</sup> March St. Louise's launched their traditional Lenten campaign via Go Fund Me to support various projects run by Daughters of Charity across the world. Thanks to the generosity of students, parents and staff we raised £2,795.

Finally, may I take this opportunity to wish you and your families a safe and blessed Easter.
