13 August 2021

Dear Parents / Guardians

I trust you and your families have had a safe, enjoyable and relaxing break. Over the last number of weeks we have been working hard to ensure that our students can continue to access a high quality experience in a safe and supportive school environment during the new academic year.

We are pleased to welcome back our students on the dates indicated below for their initial induction. Students are asked to assemble with their form class in the bus park, where they will be greeted by their Year Team.

Please note, our new Year 8 students will be participating in a summer scheme from Monday 16<sup>th</sup> August and they will commence lessons on Wednesday 1<sup>st</sup> September.

At the time of writing, we have received no official guidance from the Department of Education regarding the implementation of the revised safety measures in school. As soon as we have official confirmation from the Department of Education we will communicate this to you. In the mean time we ask that you continue to follow the most up to date guidance from the PHA in relation to COVID safety measures. It is vitally important that we all continue to work together and follow the guidance in order to ensure the health and safety of all our families and to minimise the risk of disruption to your child's education. During the induction process students will be given further guidance in relation to personal safety and hygiene matters.

With appreciation for your continued support

Miss M. McHenry  
Principal
