

KEEPING YOU SAFE 2021-2022

The safety and welfare of our students is of paramount importance.

- St Louise's is committed to the welfare, protection and safekeeping of all its students.
- Students have a fundamental right to be protected from harm and from all forms of neglect, abuse and exploitation. Students should feel safe and secure at school.
- It is the aim of our school to always act in a student's best interests, and we will encourage the fullest possible involvement and consultation with parents.

If students have any concerns about their safety and welfare, they can raise those issues with the Designated Child Protection Teacher and Deputy Designated Child Protection Teacher. Their concerns will be taken seriously; they will be encouraged to talk and they will be listened to.

- If you, or someone you know, is feeling unhappy, unsafe, or worried, always tell someone.
- We value and care for everyone in our school community.
- We want you to be safe.
- Talk to any member of our staff or someone from our Child Protection Team.

Our Child Protection Policy can be accessed on the school website: www.stlouises.org.uk
